Dear ECB Supporters,

As most of you know, we've moved into a brand new, beautiful state-of-the-art facility. Along with moving, we've added a variety of new classes. I'd like to ask that you help us market not only the facility, but the new classes. Classes include:

- Mommy & Me
- Yoga
- Pilates
- Tap
- Along with our Ballet, Modern, Hip-Hop and Creative Movement classes

All of our classes are included within our open program (excluding Creative Movement and Primary) allowing you the freedom to take whatever beginning to advanced level class you want, when you want.

Please forward this email to all of your friends with an enthusiastic subject line!

Thank you for supporting Evergreen City Ballet.

Sincerely,

Kevin Kaiser
Artistic Director
