Vehicle Prowls & Theft
 With shopping season and cold weather drawing near, it is important to take steps to protect your belongings and your vehicle.

- Avoid letting your car run to warm up if you are not in or next to it
- Remove any shopping bags or valuables from plain sight, and do it before you park so any prowlers don't see you
- Remove any GPS units and holders, mail or anything else that would be appealing to would be prowlers
- Be a good witness.

If you see or hear anything suspicious, call 9-1-1. A number of prowls and thefts occur during the day when someone should have heard or seen something!

Prescription Drug Abuse - A Serious Problem

- 1 in 5 teens has abused a prescription pain medication
- 1 in 5 report abusing prescription stimulants and tranquilizers
- 1 in 10 has abused cough medicine

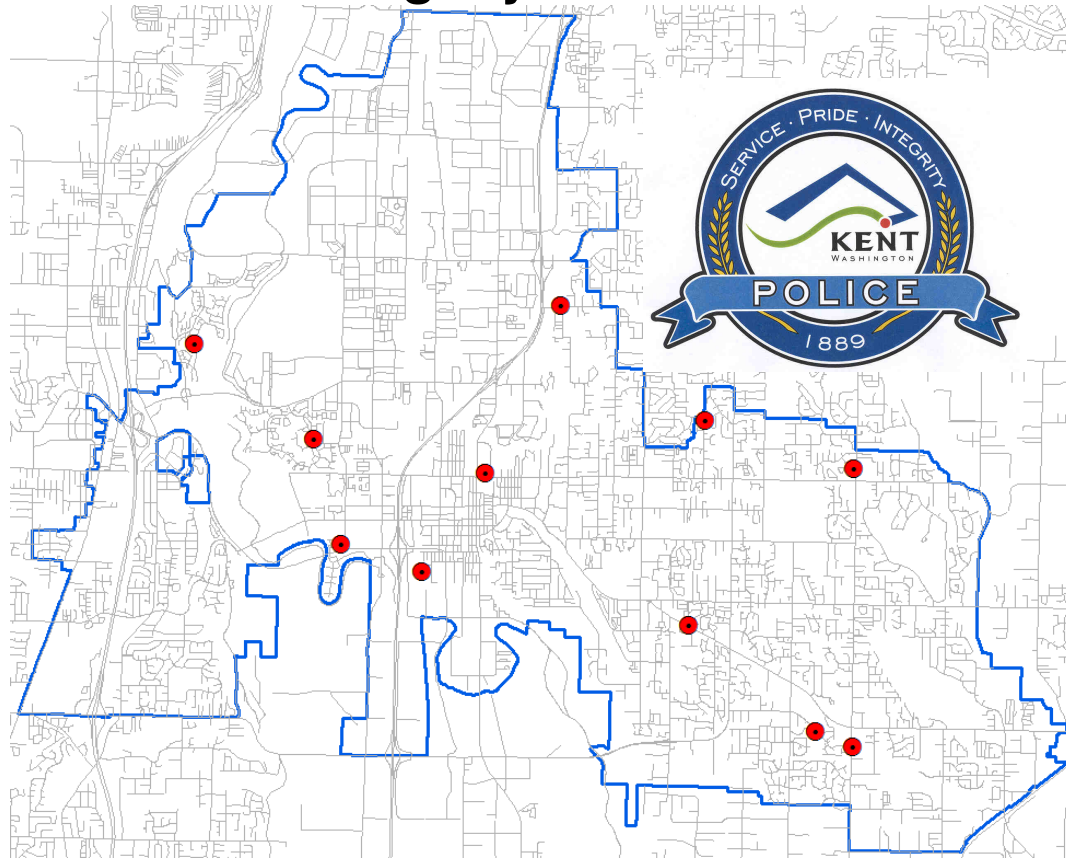

Taking prescription drugs without a prescription to get high or “self-medicate” is as dangerous and addictive as using other illicit drugs or alcohol.

- Keep all medications hidden – this is also a good reminder for grandparents
- Talk to your teen about the dangers of prescription drug abuse
- Properly dispose of expired or no longer used medications
