Who's Watching Your Wallet?

Do you ever set your purse down in a shopping cart while perusing the aisles? Over the past week, there have been several thefts in retail stores involving just this. Victims had left their purse or belongings in a shopping cart. They take their eyes off the cart to grab an item only to return to find someone has taken their wallet or purse. The safest place for your purse or belongings while you shop is on your person. Do NOT leave your valuables unattended.
