Protect Your Vehicle & Your Belongings!

It is important to remove your belongings from your vehicle EVERY time you park. Car prowlers search for vehicles that contain:

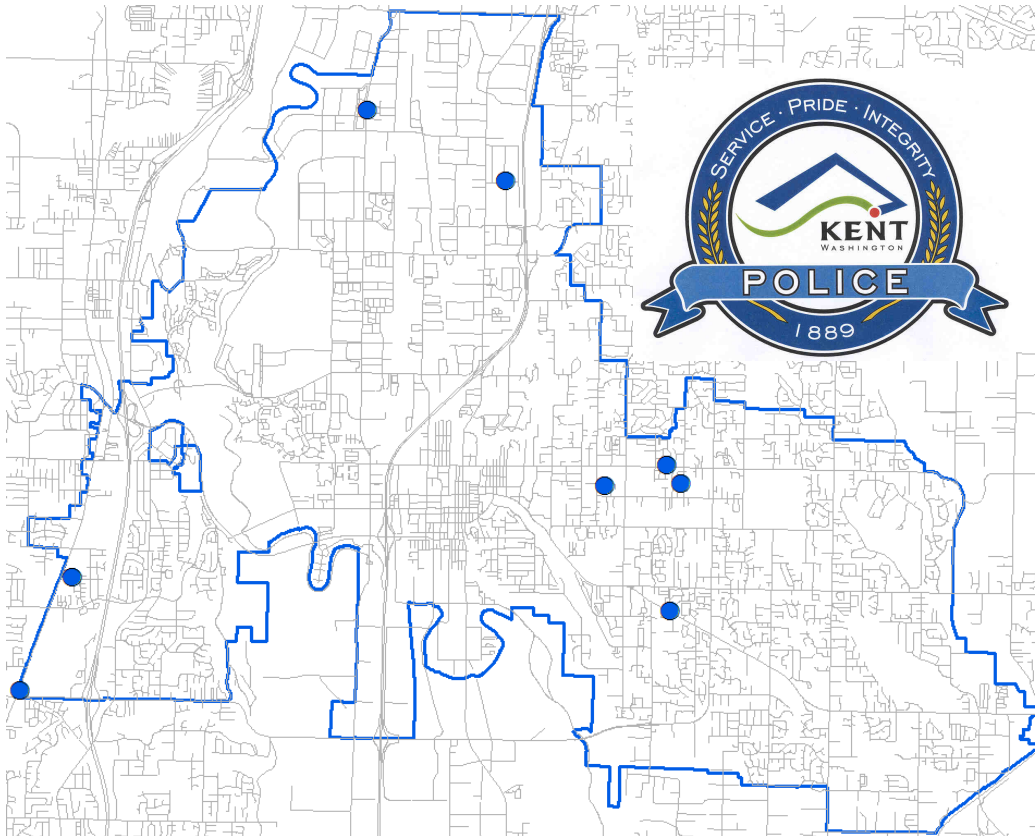

- GPS units & holders (remove suction cup marks off windows)
- Laptops, IPOD's, cell phones & other electronics
- Sporting equipment, shopping bags
- Mail and money

Protect your vehicle & belongings by parking in well lit areas, locking doors, closing windows, and removing belongings.

If you are a victim of a car prowl or see something suspicious, call 9-1-1.

Protect Your Home & Valuables:

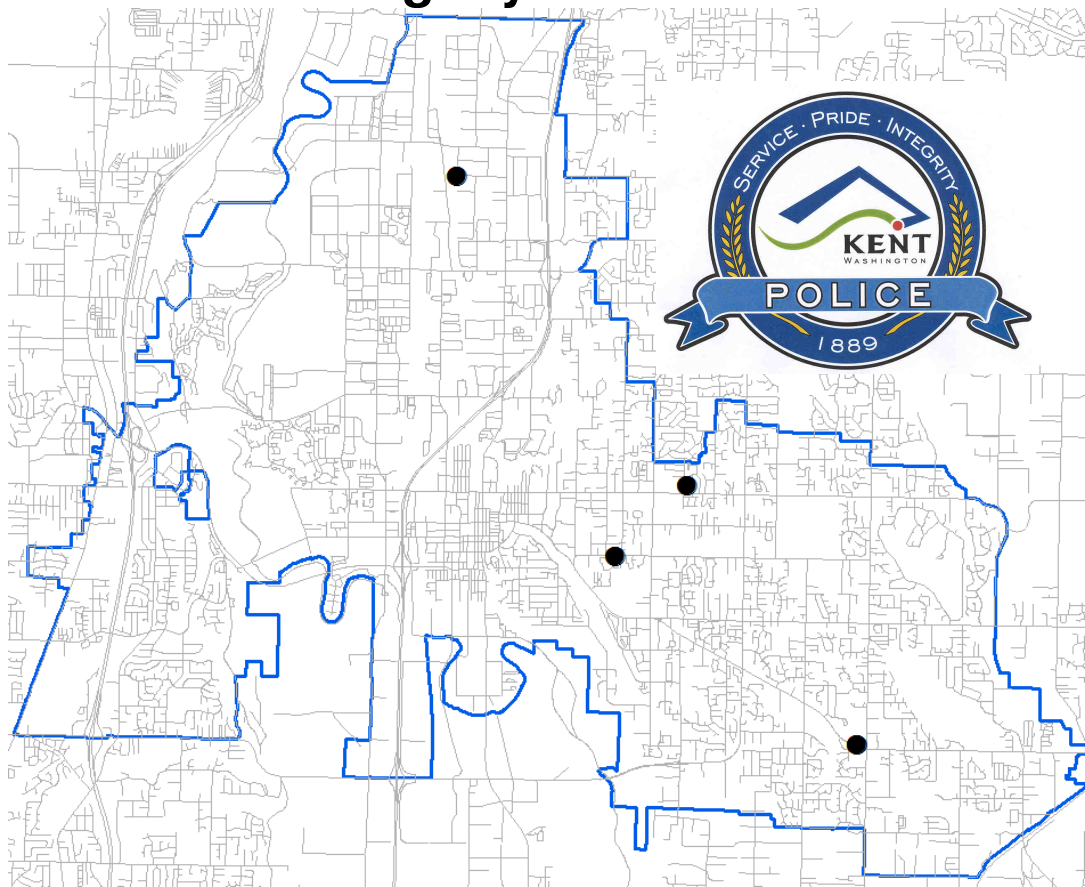

Burglars look for any opportunity to break into homes. Here are steps to protect yourself, your home and valuables:

- Keep all doors & windows locked at all times – including garage doors and upper story windows
- Use secondary locking options for windows & sliders (wooden dowels, track locks);
- Put away and secure all tools after use – Ladders have been used to access upper level windows
- Use a security film to smaller windows next to doors: recently burglars have been smashing windows next to doors to reach the locks. Security film allows for glass to shatter, not break.
- Remove anything around doors and windows that can be used to break the glass: rocks, tools, planters etc.
- If home & someone unknown knocks, make presence known, communicate without opening the door

REMEMBER: REPORT ANY SUSPICIOUS ACTIVITY BY CALLING 9-1-1
