“Punched door lock” and “Smashed window”
 Both of these are popular methods a thief uses to gain access to your vehicle. Routinely lock car doors, however remember to remove any valuables from your vehicle. Along with GPS units, tools and computers; stolen items include coins (change), sunglasses and cell phone chargers! What may not seem “valuable” to you may provide a temptation to the criminal. If you don’t want to lose it – remove it.

Got a Honda?

Investigators for the Kent Police Department have identified a pattern of 1990's era Hondas being stolen and later recovered in the north end of Kent. Over the last 3 weeks at least 10 older Hondas were either dumped or stolen in a 12 block area in north of James Street, east of Washington Avenue. Vehicle owners are urged to take extra steps to keep their cars safe.

1. Secure your vehicle every time you park. Doors locked, windows rolled up, alarm system activated.
2. Avoid leaving valuables inside.
3. Consider installing a steering wheel locking device, such as "The Club". Clubs are available at a reduced cost on the Kent Police website at <http://www.ci.kent.wa.us/police/>.
4. Call 9-1-1 to report any suspicious vehicles or individuals.
