

Vision House Giving Tree Program

You can make Christmas a little brighter for a homeless family! Vision House Giving Trees are a great way to rally co-workers, family, friends, and church family around a great cause. Sponsoring a Giving Tree is easy! Here's how it works:

1. Contact Kristi Slattery at 425.228.6356 or kristis@vision-house.org and let her know you would like to sponsor a tree.
2. Kristi will arrange to have a Giving Tree delivered to your office or church towards the end of November.
3. People will take tags off the tree to remind them to purchase a gift card. They will then place the gift card or financial gift in a box under the tree.
4. Kristi will coordinate pick-up of the trees, gift cards and financial donations prior to Christmas.
5. Gift cards and financial support are provided to Vision House families and children in our care during the holidays to not only purchase gifts but also much needed items such as clothing, food, household and school supplies and other items. Additional gift cards and financial donations are used throughout the year as needs arise.

Call today to reserve a tree!
